

Invitation from Univ of Toronto SENIOR COLLEGE:

Wherever CURAC members may reside, they might be interested in joining a Wednesday lecture in person or online, for a modest fee. To register for a particular talk, which gives access to the Zoom link, contact senior.college@utoronto.ca.

Retired faculty and librarians might consider joining Senior College, wherever they live. There is an online membership category, which includes access to the book club as well as the weekly lectures and other activities. Further information about membership and fees is available on our web site:

We look forward to seeing our colleagues from across Canada!
